

Be Still and Know

Be still and *know*,
That I am right there,
Let My love flow through you,
To renew and repair.

Repair what is broken,
This means to release,
Your mindset gone solo,
Erase and let cease.

Renew the *joined mindset*,
The truth that is you,
Always together,
Our Oneness is true.

Stillness is needed,
So you can hear,
My loving guidance,
So truthful and clear.

You'll *know* that I love you,
You'll *know* of your worth,
You'll *know* of redemption,
Your loving rebirth.

Rebirth as God's child, there,
His offspring are you,
Filled with His meaning,
His love pours on through.

Take time to be quiet,
Find peace in your mind,
Be still and know Me, dear,
Such joy you will find!

In closing I tell you
I state what's so true,
I'm with you always,
Never alone there are you.
