

## **Assurance of Fulfillment**

I give you My assurance,  
That I am there with you,  
That what we've shared together,  
These many years, is true.

You have a host of memories,  
Of times that turned out well,  
Better than imagined,  
Let them, to you, foretell.

Foretell of a bright future,  
Together in mind's place,  
Where fulfillment is God's will for you,  
Bestowed with loving grace.

Your needs for home and health there,  
For funds and what to do,  
Are given beyond measure,  
As *living love* pours through.

So let your doubts be gone, dear,  
Let anxiety subside,  
Find joy in our togetherness,  
In peace we do abide.

Each one who reads these words, there,  
When they have turned to Me,  
Will have blessed assurance,  
Will feel love's clarity.

Doubts and vague unsettling,  
About what lies ahead,  
Will no longer haunt you,  
By love's pure light you're led.

I made a promise long ago,  
That I'd be there for you,  
I'm here in mind right now, dear,  
My promise ever true.

I tell and retell often,  
For you need to hear,  
Of my constant Presence,  
That I am there, so near.

Lastly I implore you,  
To join with Me in mind,  
I give you My assurance,  
Fulfillment's what you'll find!
