

## **The Season Has A Reason**

You find your attention diverted,  
This busy time of year,  
From quieting your mindset,  
And lending Me an ear.

Gifts to buy and meals to plan,  
Decorating in holiday style,  
Cards to write and places to go,  
These things seem all worth while.

Yet often you feel stressed there,  
Feel hassled and worn out,  
Where is the peace that Christmas brings,  
What is it all about?

Coming *within* to Me, dear,  
To our relating, there,  
Will bring a loving order,  
As for Christmas, you prepare.

You'll move and have your being,  
In peace and harmony,  
When joined, in love, together,  
Companioned well, you'll be.

Now life takes on fresh meaning,  
Each day you'll feel renewed,  
Love's power of transformation,  
With joy you are imbued!

The season now has reason,  
Your heart feels ecstasy,  
The Christmas Babe is with you,  
Forever spiritually!

*Joy beyond all measure!  
Love deeper than the sea!  
Peace that fills all being!  
Jesus lives with me!*
