

### **Simply, Needs are Met**

There's no great complication,  
To getting your needs met,  
Just ask for what is needed,  
Then let go fear and fret.

I see, I hear, I understand,  
What's needed there for you,  
*Living love* sets all things right,  
Transcendent Mind comes through.

Strategy's not needed,  
Listening's called for there,  
I will guide you, show you,  
When, what to do, and where.

As needs are fully answered,  
And blessings there abound,  
You'll know the power of *living love*,  
Fulfillment all around!

Love's answers seem so obvious,  
So simple, clear, and right,  
Obscure no more, nor complex,  
Restores your blinded sight.

I know what fills your needs, dear,  
Because I know you true,  
I am the answer needed,  
Let *love* from Me come through.

Simply, I will guide you,  
No harsh complexity,  
Just call my name, I'll answer,  
Needs, well met, with Me!
