

## **Meant to live as One**

Today we reach the solstice,  
Winter's shortest day,  
Soon the days get longer—  
More light to guide our way.

The ancients felt this greatly,  
The sun, the stars, the moon,  
Were markers for their lives there,  
To these they did attune.

We also have a rhythm,  
A natural ebb and flow,  
Our bodies and our minds there,  
May feel high or low.

No matter how you feel there,  
Upbeat or feeling blue,  
I'm here if you but ask Me,  
My love will see you through.

I'm not a seasonal visitor,  
I'm here, a steady state,  
Your guide, your friend forever,  
Bound as your Soul Mate!

When joined you open to Me,  
Transcendence there you'll find,  
You'll live as God intended,  
Pure Oneness with God's Mind.

Joy will fill your heart, dear,  
Refreshed, renewed you are,  
It's how your meant to live, dear,  
God's point of light, His star.

Meant to live as One, dear,  
Alone, you'll never be,  
I am with you always,  
With love, at home, in Me.
