

The Last Day of the Year

Let's take a quiet moment,
To review the bygone year,
To celebrate the good times,
Remind, what caused a tear.

Many delightful moments,
With family and friends were had,
No major upset happened,
Still times when you felt sad.

Remembering the loved ones ,
Who have passed not long ago,
Well aware that soon, you too,
May say good bye; let go.

The conflicts around the world,
Where killing wars increased,
So many lived with constant fear,
We pray these wars will cease!

*In reflection, the greatest constant,
Your Presence, Lord, with me,
Surrounded, filled with your sweet love,
Such joy, such peace, with Thee.*

*In every situation,
Your guidance came on through,
I listened and I followed,
For what you gave, so true!*

*This year, it's now a memory,
It's gone, it's in the past,
The now moment, with you Lord,
Co-joined, the joy, will last!*

*And so, as this year closes,
Let's welcome in the new,
A joyous year ahead, Lord,
Entwined, as One, with You!*
