

## **Pure Innocence**

Let go the misperception,  
That God is judging you,  
*Not guilty* is His verdict,  
*Pure innocence*, His view.

Let go the ego's harshness,  
Finding fault its game,  
It plays the judge and jury,  
On you, it lays the blame.

Crushingly, it pulls you down,  
Erasing any light,  
It aims to nullify your mInd,  
From Spirit's loving sight.

It is a harsh marauder,  
Posing as what's real,  
Seeks to claim it's who you are,  
Your identity to steal.

Ego has no real presence,  
It came about from fear,  
A system of defense you made,  
All vices stem from here.

How wonderful to know, there,  
That turning *within* to Me,  
Is where your Authentic Mind comes forth,  
Reveals Transcendancy.

We'll undo ego's system,  
Defense now gone from Mind,  
'Til fear itself has left, dear,  
Love's light is what you'll find.

God holds you in His mind, dear,  
As perfect, whole, and free,  
Let guilty feelings go, dear,  
*Pure innocence*, with Me.

In closing, let Me tell you,  
Oft repeated words you've known.  
I love you, oh so dearly,  
You are not alone.
