

Choose for Me

Be the peace you're after,
Find that stillness place,
Feel the calm *within* you,
Ego's lies, erase.

The whorls that ego spinneth,
The yarns, the knots, the ties,
Will simply disappear there,
When no longer energized.

With free will you've been gifted,
I fully honor this,
The choice you make, your sovereign right,
Your will, I won't dismiss.

If you choose for Me, dear,
To join as One in Mind,
You'll have found the truth, there,
Released from ego's bind.

You've heard these words before, dear,
Two masters served, can't be,
Choose one or choose the other,
Choose for truth, choose Me.

The ego's just a system,
A defensive strategy,
It poses as who you are, dear,
Just made-up falsity.

Let's live as One together,
No longer need you roam.
No longer lost or lonely,
With Me, you are at home.

In closing let Me tell you,
I love you as My own.
I will never leave you,
You are not alone.
