

## **Life Comes With Needs Aplenty**

Life comes with needs aplenty,  
These needs are calling there,  
For food and sleep and clothing,  
For shelter and fresh air.

For *love* that heals and helps you,  
For your foundation place,  
Where life is sure and steady,  
And held in Divine Grace.

Your mind is the command ship,  
For getting your needs met,  
And outcomes are dependent,  
On how your course is set.

You can choose for ego,  
And chart your course alone,  
But cut off from your Source there,  
You'll live in twilight's zone.

The ups and downs, the ins and outs.  
Life's turbulence you'll find,  
Will toss you 'round like drift wood,  
If ego steers your mind.

If you choose for Me, dear,  
Within, I am right there,  
We'll weather storms together,  
As One, your troubles bear.

Your needs will be provided,  
So listen close to Me,  
I have the bigger picture,  
God's vantage point, I see.

This is the way of truth there,  
God left you not adrift,  
He wanted you to choose there,  
For freedom is your gift.

So use your free will wisely,  
And trust that I will give,  
All that's needed for you,  
Much more, so you can live,

In peace, joy, fulfillment,  
You'll be God's point of light,  
Beaming out to others,  
His *love* that sets all right.

I close with what is true there,  
This truth that you have known,  
I am with you always,  
You are not alone.
