

## **I'm Calling You**

I'm calling you to see each one.  
Each daughter and each son,  
All equal in the sight of God,  
All issue forth as One.

Each one has gifts to give, there,  
Each holds God's loving light,  
Some know not they hold this,  
Some know, are radiant, bright.

Equal in God's view, though,  
None held apart, alone,  
Each one of inestimable value,  
Each one, by Him, well known.

I'm calling you to listen,  
For the part that you may play,  
By seeing each as family,  
Density gives way.

So open to Me, dear one,  
Go quietly within,  
I'm here to guide you truly,  
Right now, let us begin.

Love will flow within you,  
Its powers will come through,  
Redemptive in its meaning,  
You'll shine forth healed, brand new!

I'm calling you this moment,  
There is an urgency,  
To help those lost and lonely,  
Come home to family.

Your brothers and your sisters,  
Need to know I'm here,  
Share this truth, we'll help them,  
Find love within, so clear.
