

## **The Answer Will Be Given**

All problems have an answer,  
That I will give to you,  
As you open to Me,  
Bringing what is true.

They may be unexpected,  
Not what you thought they'd be,  
The answers come so clearly,  
As you trust in Me.

What had seemed so heavy,  
A complicated mess,  
Step by step was dealt with,  
Involving so much less.

I see your grateful heart, there,  
Your wonderment shines through,  
As *living love*, God's meaning,  
Brings such help to you.

And so I tell you once again,  
Ask Me to join you there,  
I'll open gates of *living love*,  
To heal, redeem, repair.

In truth, *I am the answer*,  
I'll show Transcendence's way,  
God's will for you to follow,  
And *love* will light our way.

I *love* you without measure,  
This *love* will never cease,  
I am with you always,  
We're One, in joy and peace.
