

Now is the Time

There's no time like the present,
To choose to join with Me,
Why wait 'til crisis beckons,
To seek Me, fervently.

You needn't be in crisis,
Nor suffering in despair,
I'm right *within* and waiting,
To start our friendship, there.

I want to be your partner,
And go through life with you,
Sharing in each moment,
With Sacred Love, imbue.

Sacred Love's *within* you,
It's who you really are,
This is your very meaning,
To be God's light, His star.

Now's the time to shine, dear,
I'll bring Love's light to you,
We'll follow where it beams forth,
Its sacred, radiant hue.

You'll feel Love's healing power,
Its function's to renew,
You needn't be a saint there,
No judgement's made of you.

It's given when you ask Me,
To open up the door,
When you yield to God's Will,
This Love is what's in store.

Please tarry there no longer,
Now is the perfect time,
I'm waiting here to give you,
Relationship, sublime.

In closing I will tell you,
What you by now have known,
I am with you always,
You are not alone.
