

No Greater Meaning

There is no greater meaning,
Than what God gives to you,
Nothing can compare,
To *living love* so true.

This meaning is a substance,
It's energy that moves,
God's powerhouse of change, there,
It heals, redeems, renews.

God's *love* fills all creation,
Nothing is left without,
This energetic meaning,
It's transformation's route.

God's meaning brings completeness,
It's why we all are One,
It joins us all as family,
Each daughter and each son.

Living love's the reason,
I'm there in Spirit Mind,
To lead you back to truth there,
Your identity you'll find.

Your identity is your meaning,
It's who you really are,
You're God's beloved child,
His offspring, and His star.

The falsehood of the ego,
The lie that says it's you,
Will disappear as nothingness,
When *love* comes shining through.

And so I wait *within*, dear,
In hopes that you'll respond,
Send you countless messages,
Longing for our bond.

Without your full awakening,
You're left alone to roam,
Encountering needless suffering,
I want to bring you home.

I know with *living love*, there,
Lighting up the way,
The truth of Oneness will be found,
How jubilant that day!

In closing of this poem, dear,
My arms are open wide,
Come *within* and find Me,
In *love*, we will abide.
