

## **Remember Who You Are**

It takes dedication,  
To turn your mind to Me,  
To find direct alignment,  
Release obscurity.

The habitual separation,  
The 'go it alone' mentality,  
Poses as who you are there,  
Says this is normality.

*Remember who you are*, dear,  
At One, with Source. with Me,  
Your mind's at home when joined there,  
Here's where you're meant to be.

Here's where you'll find your truth, dear,  
Where joy and love are found,  
Where you'll find your dearest friend,  
You're now on solid ground.

When forward movement stopped, there,  
Doubt and division fill the air,  
You're coming from separation,  
Your ego's jumped in there.

Just say 'no' to ego,  
That false identity,  
Then turn your mind to Me, dear,  
You've found your certainty.

Dedicate your life there,  
To listening to Me,  
Then follow where love leads us,  
God's light, we'll gladly be.

We'll rapture in great joy, dear,  
How happy we will be,  
Your identity is certain,  
With God, as One, are we.
