

My Dedicated Presence

My dedicated presence
Devoted there for you,
Has a single purpose,
To let God's *love* shine through.

You see, *love* in the answer,
Its function to renew,
It heals, redeems, transforms there,
God's will, thereby, comes true.

Dedication and steadfastness,
To open up your mind,
To illuminate your truth there,
Your identity to find.

No matter your resistance,
To letting Me come in,
I'm here to go the distance,
So *real love* can begin.

You see, I miss you dearly,
When alone, you choose to roam,
I hunger for our unity,
As One, with Me, you're home.

You see, I'm not a quitter,
I'll not abandon you,
My dedicated presence,
Stays firm, with *love*, so true.

Can you take a chance there,
That what I say is true?
Find peace, then ask Me in, dear,
I'm here, with love, for you!
