

Today Is Like No Other

Today is like no other,
Though familiar it may seem,
Seems but a repetition,
Another ripple in life's stream.

Your coffee and your breakfast,
The morning's same routine,
Seems nothing changes much there,
Much yawning in between.

Yet within your simple pattern,
Your Mind holds *all that's new*,
Transcendence's *living love* there,
Brings freshness through to you.

It is a day unique there
If you but turn to Me,
For there within your Mind, dear,
Life flows authentically.

Joined with your Transcendence,
We'll open up the door,
Living love will usher forth,
Its purpose to restore.

A day restored to newness,
Holds such potential there,
We expect the unexpected,
Curiosity fills the air.

Today is like no other,
Because you'e joined with Me,
Stay joined with joy forever,
Here's where your meant to be.

Boredom can't be found here,
Depression has no place,
Joyless repetition,
Is vanished with God's grace,

Be with Me this day, dear,
Each step I'm there with you,
Love will lead us onward,
God's newness coming through.
