

The Collective Unmet

The Collective Whole is yearning,
For what will set it free,
The Aggregate needs guidance,
To find its liberty.

Falsehood clouds its mindset,
The big lie blocks the light,
The lie of separation,
Darkens human sight.

A mistake was made by some there,
Choosing to leave Source,
Forgoing God's connection,
Mankind chose divorce.

This ushered in the falsehood,
That each must find the way,
To fend and fight off fear then,
Defense came into play.

All mankind's ills came forth, now,
Sickness, death, and sin,
The ego mind of lies there,
Played stealthily to win.

If humankind would realize,
It's directly connected there,
Severance never happened,
No rift, No cut, No tear.

God never left His offspring,
Inherently bound *within*,
Lighting hearts and minds, there,
Joined as One with Him.

The Entirety of All there,
The Oneness of our Source,
Each one must open to it,
Choose freely, without force.

I came to show the way there,
It's Oneness, I pursue,
Knowing we are family,
I give My life to you.

I'll lead you to the light there,
Separation will be gone,
Radiant in our Wholeness,
We'll sing Creator's Song.

I'm right there in your mind, dear,
Ask Me to join you there,
Living love will lead us,
God's meaning, we will share.

The Collective of our Father,
Moves as One, its true,
Turn *within* to Me, dear,
I'm right here, guiding you.

In closing let Me tell you,
What you have surely known,
I am with you always,
You are not alone.
