

## **No Greater Gift**

I'm not asking you for money,  
Not requiring any fees,  
What I have to give you,  
Is simple, be at ease.

There is no hidden binder,  
No surprise 'gotcha' clause,  
These words are freely given,  
My *love* for you, the cause.

My *love* has an intention,  
I want each one to know,  
That I am there *directly*,  
My friendship, to bestow.

You see, I made a promise,  
Given long ago,  
That I would never leave you,  
I'm here, right now, and so...

Come to find your truth, dear,  
Find your friend, your guide,  
Find One who'll never leave you,  
With you, I do abide.

Clear your mind of clutter,  
Find that place of peace,  
Ask and I will answer,  
Aloneness now will cease.

This gift is like no other,  
What you've been searching for,  
*Living love* will pour forth,  
As I open up its door.

*Love* that brings its healing,  
Renewal there for you,  
Redeeming and transforming,  
God's meaning, ever true.

No greater gift than this, dear,  
*Our* journey has begun,  
Transcendence, our inheritance,  
With God, we move as One.
