

A Tribute to Love

Let's give homage, this day,
A heartfelt tribute to,
God's meaning found within us,
Living love so true.

It seeks no selfish ends there,
It only serves to bless,
To heal, redeem, renew us,
To straighten out our mess.

It gives without condition,
Fills all, holds nothing back,
God's transforming energy,
With *love*, there is no lack.

Our minds must open to it,
It's there if we but see,
We're not separate from it,
It's our heredity.

We're blinded by defenses,
A made up use of mind,
That feeds our separation,
Join Me, so we can find,

Love fills your very being,
God's point of light you are,
He's not separate from you,
You are His shining star.

You'll marvel at creation,
This wondrous *loving* stream,
God's movement filled with meaning,
Transformation's beam.

I have come to guide you,
So turn *within* to Me,
I'll lead you through the shadows,
You'll know My constancy.

You'll know you're not alone there,
You've found a friend so true,
Life takes on new meaning,
And *love* will see us through.

This tribute to God's *love*, there,
Means hearts are open wide,
We live connected to our Source,
As One, we do abide!

In closing of this tribute,
Let Me share what's true,
I am with you always,
I have deep *love* for you.
