

No Greater Reason

There is no greater reason,
That I am there with you,
But that *I really love you*,
It's why I'm coming through,

You see, by loving you, dear,
Right there, right where you are,
I'm fulfilling divine purpose,
God's meaning, ex'em'plar.

Love's what intertwines us,
The All and you and Me,
Entwined as One together,
We're One Entirety.

Separation's gone, dear,
Isolation's not a thing,
Your willingness to join, dear,
It's key to what I bring.

I bring unfolding love, dear,
It functions to renew,
Healing and redeeming,
God's meaning there for you.

Seek to find your peace, dear,
Then invite Me in,
Transcendence at the threshold,
Let love's flowing now begin.

Now you know My reason,
You know why I am here,
Waste not a single moment,
Join now, My love, so dear.

In closing of this poem, dear,
I restate what you have known,
I am with you always,
You are not alone.
