

The Equality of Oneness

There is no inequality,
No one left without *Love*,
God giveth His true meaning,
It's what we're *all* made of.

This energetic substance,
Accessed through peaceful mind,
It's right *within*, just ask Me,
Such Love, as One, you'll find.

The *Equality of Oneness*,
Means God, *each one*, doth fill,
With Love, His point of light, there,
Each one shines forth His will.

Let's look at what God's Love means,
Its meaning's there for you,
To heal, redeem, and to transform,
Indeed, to make all new.

If you are One with God there,
I tell you, this is true,
Your brother and your sister,
Are *also* One with you.

The *Equality of Oneness*,
Means *all* are family.
No one left out or lonely,
Just turn *within* to Me.

The planet is awakening,
Fast moving to that time,
When separation's gone there,
God's Oneness reigns sublime.

For now, let's join together,
And live as One this day,
Let Love make right, renew all,
Let's joy, in Love, God's way.

In closing of this poem, dear,
I tell you what you've known.
I am with you always,
You are not alone.
