

My Life on Earth was Given

What e'er that you're involved in,
What e'er the task at hand,
Call on Me to join you,
And let your Mind expand.

Let go of limitation,
Habituated mind,
Open to God's will for you,
His newness, you will find.

I'll guide you to the answer,
Your problem will be solved,
What seemed an impossibility,
Now will be resolved.

A Mind joined with its Maker,
Filled with *living love*.
Heals, redeems, renews, transforms,
It's what we're all made of.

God's meaning fills creation,
No one, no thing left out,
Living love's God's purpose,
It's what life's all about.

My life on earth was given,
To teach, to show, to heal,
My mission, still alive, there,
I'm there for you, so real.

I can only guide you,
If you turn *within* to Me,
I can't impose on your free will,
You must ask, voluntarily.

A relationship of magnificence,
I have in store what's true,
A love that knows no ending,
I am One with you.

I offer My love to you,
Transcendence you will find,
Your truth, your originality,
The Oneness of God's Mind.

"Let not your heart be troubled,
Believe in God, in Me,"
I voice these words in now time,
Together, in peace, are we.

In closing let Me tell you,
I love you, you're My own,
I am with you always,
You are not alone.
