

## **Creator's Way**

The mind of separation,  
So habituated there,  
Will lead you to live fear-based,  
Feeds hopelessness, despair.

'Twill judge you as unworthy,  
Will point out all that's wrong,  
Will want to chill your happiness,  
Will chant a lonely song.

Ego is a made-up thing,  
Has no foundation there,  
A set of defensive strategies—  
Essentially hot air.

Your Authentic Mind is joined, dear,  
Transcendence is what's true,  
Joined with its Creator Source,  
God's meaning flows on through.

You have the choice to make, dear,  
Free will's God's gift for you,  
Choose to join within to Me,  
I'll guide you to what's true.

You'll find life much more peaceful,  
Alone no more, you'll roam,  
God's love will heal, redeem you,  
Find joy, with Me, you're home.

The Solidarity of Oneness,  
For God is One in All,  
Means that you have completeness,  
Please answer to my call.

I'm calling you to join Me,  
Every hour of each day,  
Joy will fill your heart, dear,  
*This is Creator's Way!*

Alone no more nor hopeless,  
I'm here to see you through,  
Now's the time to choose, dear,  
I'm waiting here for you.
