

Remember That I'm With You

Let go of fearful scenarios,
Where desperate are you,
'Tis ego's territory,
Imagination's spew.

Why choose to live in fear, dear,
Certainly, no cause,
Stop ungrounded thinking,
Join with Me and pause.

Remember that I'm with you,
You're safe, secure with Me,
Guided by Transcendence,
God wills but good, you see,

Remember what we've been through,
Love has fulfilled each need,
Miracles abounding,
Love lights our way, indeed!

Be patient and be peaceful,
Your needs and wants are known,
Stay with our communion,
You never are alone.

Dismiss the ego's warnings,
That fear is called for there,
Join Me in solidarity,
Such joy, such peace, we share.

I'm here right now, my dear one,
Waiting for your call,
Find peace and ask Me in dear,
To you I give My All!
