

Reminder to Remember

There's no time like the present,
To *remember* who you are,
You issue forth from God, dear,
You are His shining star.

You are His point of light, there,
Where *living love* comes through,
Fulfilling God's great meaning,
To heal, redeem, renew.

Whatever you're engaged in,
Be it work or play,
I'm right *within* to guide you,
To point to you, the way.

You travel not alone there,
Each day you're joined with Me,
Remember to invite Me in,
I'm there, intrinsically.

It's not in guidance given,
Where love's true value lies,
But in our joined togetherness,
Our relating is the prize.

I'm joined with you, forever,
We're inextricably intertwined,
We move as One together,
God's spirit, love combined.

This Oneness with your Source, dear,
Means All are One with you,
Your mind becomes the portal,
For *love* to shine on through.

Remember that I'm with you,
Aloneness has no sting,
Our solidarity of Oneness,
Encompasses everything.

So go about your day, dear,
I'll be right there with you,
Love will be our meaning,
In joy, we'll bring it through.

This poem is a reminder,
To what, by now, you've known,
Remember that I'm with you,
You are not alone.
