

The Necessary Five

Five things are necessary,
For bringing forth the new,
Each one builds on the others,
In bringing newness through.

Five ways to hold your mind there,
To manifest God's will,
Each one a powerful engine,
God's meaning to fulfill.

It's necessary to *trust*, there,
Intention must be clear,
Spiritual guidance is needed,
For *divine purpose* to appear.

Lastly, there is *living love*,
A powerhouse for sure,
This engine of renewal,
Clear's what's been obscure.

Trust my *spiritual guidance*,
Intend God's will be known,
Knowing *His great purpose*,
Through *living love* is shown.

There is no certain order,
No sequential time display,
All held in mind together,
Manifestation makes its way.

The answers, needs, desires there,
Are given in His time,
There's joy in what unfolds for you,
You'll find such peace sublime.

Now you'll see the light, dear,
You'll find just who you are,
You'll know your true identity,
God's point of light, His star.

You'll move as One with Him, dear,
You'll answer to His call,
Letting love flow through you,
Serving the One, whose All.

Five engines of manifesting,
No greater gift to give,
Than opening All to Oneness,
So that All can live,

And be as God intended,
Filled up with *love so sweet*
Embracing one another,
At last, as One, complete.

In closing, let Me tell you
Again, what you have known,
I love you now and forever,
You are not alone.
