

A Brand New You

Living love is working,
Its function to renew,
Healing and redeeming,
It's now transforming you.

I see revitalization,
Worn out, it seems, *no more*,
The future's looking bright, dear,
So much, for you, in store!

Vibrant health's returning,
It's clear there's nothing's wrong,
A smile lights up your face, dear,
You sing a joyful song!

You've opened up your heart, dear,
To one who needed you.
This one is feeling better,
And feeling hopeful, too.

In giving, you're receiving,
Love permeates the Whole,
A symphony responding,
As One Harmonic Soul.

Breathe deeply of God's goodness,
His *love's* a gentle breeze,
Fresh air brings in its newness,
You feel renewed, at ease.

'Tis not a passing moment,
Not gone, like yesterday,
Renewal is a constant,
For *love* is here to stay!

Stay open to My Presence,
Come join with Me, my dear,
The fountain head of *love* pours forth,
God's meaning ever clear.

In closing let Me share again,
The truth that you have known,
I am with you always,
You are not alone.
