

Don't Worry About Tomorrow

Why worry about tomorrow?
No need to fret, nor fear,
Blessings are there, a plenty,
In Mind, there's joy, good cheer.

We see your life unfolding,
As God would have it be,
Sharing what you've come to know,
As life's been lived with Me.

A life you've found as meaningful,
Each day we live as One,
And blessed reassurance,
I give 'til day is done.

You need to sense My Presence,
You need to know I'm there,
You need to know I love you
And trust, I really care.

Now *living love* pours forth there,
'Tis spiritual energy,
Healing and redeeming,
Brings God's reality.

Just stay the course with Me, dear,
Here all answers found,
Together we will tell the world,
With Source, all One, we're bound.

A simple poem today, dear,
With this one message true,
I love you and I'm there within,
Always, I'm with you.
