

The Non-Severability Of Oneness

We're bound as One together,
One Whole with Source are we,
Inclusiveness our nature,
We form One Unity.

This means when moving forward,
When living out each day,
We listen with intention,
To what *Joined Mind* would say.

We harbor no delusions,
That ego mind might spew.
Rejecting its conjecture,
That it, alone, is true.

Because we're joined forever,
Great joy fills up our life,
The non-severability of Oneness,
Erases fear and strife.

Living love, God's meaning,
His transcendent energy,
In quiet application,
Brings peace and harmony.

We see our brothers, sisters,
As God's dear family,
Now dropped, the veil of separateness,
Means we can clearly see,

How we can be of service,
Bring *living love* to bear,
We go where love's light leadeth,
God's will, we are, right there.

Find peace, within, my dear one,
Then ask that I come through,
Transcendent Mind now opens,
I'm here, with love, for you.

You've found life's very meaning,
Love lights each sacred Soul,
One movement of the Father,
At last, complete, you're Whole.
