

Let Love Flow Forth

Let *love* flow forth within you,
And out into the world,
Redeeming and restoring,
God's meaning there unfurled.

Open to My Presence,
Close not, Transcendence's door,
Be present as a gateway,
To what God has in store.

'Twill be a flow of miracles,
God's purpose coming through,
Far-reaching is the benefit,
Making 'All' brand new!

Each day, a new beginning,
Fresh as the morning dew,
Joy, like sun, pervades the All,
Shining *love* so true.

Expectancy is high, there,
Yet peaceful, all are we,
Trusting in God's purpose,
In what His Will shall be.

Our hearts sing out a melody,
An ancient lovely sound,
Rapturing in harmony,
Joy and love abound.

I'm here to show the way, dear,
To clear what blocks what's true,
Shining forth in beauty,
Your Oneness coming through.

You are a child of God, dear,
You're treasured as His heir,
Held in Mind as perfect,
His Love's your substance, there.

Love, it is the answer,
It is the reason true,
It's why these poems are written,
It's why I'm here with you.
