

Trust in the Unfolding

Trust that the unfolding,
Is not a random thing,
But truly's from your Maker,
Great blessings it will bring.

It's in accord with mission,
The gift you have to give,
Will make the way much clearer,
In how you *now* will live.

It may be very different,
Than what you thought it'd be,
But you will know for certain,
That It's your destiny.

The movement that unfolds, dear,
That guidance will provide,
Takes into consideration,
Its impact far and wide.

Because we're all connected,
With Universal Mind as One,
Following where *love* leadeth,
Is how God's Will is done.

So that is why I tell you,
Stay tuned, in touch with Me,
What you do is crucial,
Affects the Entirety.

'Twill be no guessing game, dear,
You'll know with certainty,
We'll move ahead sure-footed,
And hand in hand we'll be.

Soon you'll know next steps, dear,
Though patience's still called for,
The answer is forthcoming,
In peace, stay at love's door.

Your Gift it will be given,
Your mission there, soon done,
You've lived your life with Me, dear,
Awakened to the One.

One Movement of our Father,
One Spirit life we live,
One Love pervades the All of us,
Meant for All to give.
