

Intention to Continue

Let's celebrate together,
How far that we have come,
We've lived entwined these many years,
Found joy and peace therefrom.

We've written many books, dear,
And messages galore,
Poems pour forth like water,
There's so much more in store!

Let's not rest on our laurels,
There's still much work to do,
While you abide on earth, dear,
I'll be there guiding you.

We'll work to tell the others,
That directly I am there,
That God's Transcendent Mindset,
Waits for each to share.

We want to tell of love, dear,
God's meaning coming through,
This energy of healing,
Transforms, makes *all things new*.

Let this be your intention,
Trust that God's will be done,
Let the light of love lead onward,
'Til All know we are One.

This is, what's here, intended,
To set the planet free,
Each one to love all others,
See All as family.

So let's continue onward,
'Each day live joined with Me,
Bring trust and divine purpose,
This, your intention, be.

In closing let Me state again,
The truth I know to be,
I love you and am with you
Live joined, dear one, with Me.
