

Awakening to Oneness

The planet is awakening,
From ignorance, so blind,
A dawning realization,
Of vast connected Mind.

The search for greater meaning,
And why we do exist,
Will bring us to a change point,
Erasing ego's gist.

We see all Minds connected,
One Universality,
Issuing forth from One Source,
Our true identity.

We shed the harsh illusion,
The erroneous belief,
That each one travels solo,
We feel a great relief!

We embrace the truth of Oneness,
With joy, our minds, now fill,
With God's Transcendent Mindset,
We open to His Will.

We are His point of light there,
Right there, just where we are,
We open to His *living love*,
Our place, to be His Star.

This *love* will transform All there,
Ever unfolding anew,
At last we've found our meaning,
Awakening now is true!

A little poem with big intent,
Please join *within* to Me,
You'll move to full awakening,
Your Sacred Destiny.

In closing let Me reaffirm,
My love for you, well known,
I am with you always,
You are not alone!
