

At Last, So Clear, You'll See

When you see another,
Join your eyes with Me,
We'll look upon your brother,
In spirit reality.

His presence, an idea,
Held forever in Maker's Mind,
Held perfect, without blemish,
A kindred soul, you'll find.

What you see as physical,
Is separation's point of view,
Everything is spiritual,
Living love, all through.

It will make a difference,
Viewing life as One,
Nothing is impossible,
God's will, through love, is done.

Life now is an adventure,
Great expectancy each day,
Dynamic in its meaning,
Love lights the path, God's way.

Join your eyes with Mine, dear,
Now love's light shines so bright,
The Mind of God transcendent,
Clears out tarnished sight.

Vision now restored, dear,
At last so clear you'll see,
The world is truly spiritual,
With love, God's reality.

In closing let Me ask again,
Join eyes and mind, with Me,
Blind no more forever,
At last, so clear, you're free.
