

Join Eyes With Me

When you see another,
Join eyes with Me,
We'll look on your brother,
As spirit reality.

His presence, an idea,
Held in God's Mind,
Held freely, complete there,
Perfection you'll find.

What you see as physical,
Is separation's point of view,
Everything's spiritual,
Living love, all through.

It will make a difference,
Viewing life as One,
Nothing is impossible,
God's will be done.

Life's now an adventure,
High hopes for each day,
Dynamic in meaning,
Love lights the way.

Join eyes with Me, dear,
Love's light shines so bright,
The Mind now transcendent,
Clears out tarnished sight.

Vision restored, dear,
At last clear you'll see,
The world is spiritual,
With love's radiancy.

In closing I ask you,
Join eyes with Me,
Your vision now perfect,
At last clear you see!
