

Alone No More Forevr

You've heard this phrase before, dear,
 'No man's an island' there,
The truth of this so powerful,
 We need each other's care.

Without the care of others,
Care we give or are given to,
We miss out on the privilege
Of letting love flow through.

We miss out on the full embrace,
 Of God's United Soul,
Our brothers and our sisters,
Complete this One Great Whole.

In giving to each other,
It's to ourselves we give,
We're joined in love forever,
As One, we're made to live.

If you feel separated,
Alone and held apart,
I'm here within to love you,
Ask Me in, we'll start.

We'll start a real relationship,
I'll guide you to what's true,
 Alone no more forever,
Always, I'm with you.

I've always been there with you,
You needed just to ask,
Love will heal all problems,
Renewal is its task.

Aloneness is illusion,
An impossibility,
I'll embrace you with such fulness,
You'll know you're joined with Me!

In closing I will share again
The truth My love has shown,
I am with you always,
You are not alone.
