

A Bright Light Floweth

Streaming forth within you,
A bright light there resides,
Filling you with meaning,
Here living love abides.

It cannot be extinguished,
It shines perpetually,
No matter how ignored it is,
It's there inextricably.

The light and love are One there,
God's meaning, there as you,
His point of manifestation,
Bringing forth the new.

One Soul, One Light, One Spirit,
This One includes the All,
Means you're God connected,
To answer to His call.

You, yourself, the answer,
God's meaning, as you, right there,
Bringing forth to others,
His will, for you, to share.

Don't cover up this light, dear,
Don't hide, don't run astray,
Pretending you run solo,
So you can have your way.

'Twill only lead to sadness,
And madness, there you'll find,
When the dark imposter ego,
Messes up your mind.

It seeks to disengage you,
From opening up your sight,
It throws a veil of horror,
To darken love and light.

You need but turn to Me, dear,
Here you'll find what's true,
The veil of ego disappears,
The light of you comes through.

Let your light shine brightly,
Let love bring forth God's will,
I'll be right there within you,
His glory to fulfill.

In closing let Me tell you.
You are not alone,
I am with you always,
Your Friend, forever known.
