

A Moment of Reflection

A moment of reflection,
Is needed at this time,
Remembering who's there within,
A partnership sublime.

A moment of reflection,
To find that peaceful space,
Where I await to join you,
Within, our joyful place.

Remembering *living love* there,
I'll open the flood gate,
Pouring forth God's meaning,
His purpose, held innate,

To bring about renewal,
To heal, transform, redeem,
Making all things right there,
God's love, a radiant stream.

Now that we're together,
Aloneness will be gone,
Knowing I'm right with you,
As One, we sing love's song.

The melody, transcendent,
Our music fills the air,
We find sweet bliss, we rapture,
In joy, God's love, we share.

Today's another day, dear,
Let's look at it as new,
You are not alone, there,
I'll help you get on through.

Take the time that's needed,
To find our together place,
We're joined as One forever,
Held firmly in God's grace.
