

I'm Here As One Devoted

No matter what your age there,
Young, in between, or old,
My Presence is there with you,
As your days unfold.

My Presence means you're joined there,
Means you're not alone,
Means there's One who loves you,
Transcendence, I make known.

God holds you in His Mind, there,
As perfect, whole, and free,
I'm there to bring this home, dear,
Make clear your identity.

You issue forth from God, now,
This moment, ever new,
You are His shining star there,
Love's light you bring on through.

Back then, now, and forever,
Your purpose is to be,
God's point of light and love, dear,
Your sacred destiny.

I'm here as One, devoted,
Each moment of each day,
I'll guide you to full awakening,
Love's light will lead the way.

Do not be disheartened,
If life seems cold and bland,
Open up to Me, dear,
I'll help you understand.

You're met with an imposter,
Your peace it wants to steal,
A made-up mind of defense,
Claims it, alone, is real.

Dismiss this sick intrusion,
By joining within to Me,
The ego's just a ploy, dear,
It's purely fakery.

Open to love's meaning,
Its function ever true,
To heal, redeem, transform, dear,
Will make your life brand new!

We'll share such joy together,
This day, turn now, and see,

Closest as your next breath,
I'm waiting, dear, call Me.
