

Love is the Only Answer

Are you one who's willing,
To open up your heart,
To hear what *love* will tell you,
How you can do your part?

Will you heed the calling,
To help each other, there?
As many face great hardship,
With heavy loads to bear.

I will give you guidance,
And open up love's door,
As you turn within, dear,
And ask—it will outpour.

You'll know just what to do, dear,
Love's meaning will pour through,
You'll be God's point of light there,
God's love and light through you.

As you listen closely,
You'll know what should be done,
The *love* that flows right through you,
Will heal and help that one.

You'll be God's point of light there,
Connected there as One,
Just like a radiant sunbeam,
Forthcoming from the sun.

I ask again the question,
Will you turn to Me?
Will you open up your heart,
His point of light to be?

Love is the only answer,
To heal and to make new,
Let's be that flow of love, dear,
I give My Love to you!
