

Stand Up For Truth!

Stand up for truth!

Let it be known,
I'm right there within,
You're not alone.

Stand up for truth!

Love's what you are,
God's Meaning manifest,
His Shining Star.

Stand up for truth!

All are indeed, One,
Oneness includes,
Each daughter and son.

Stand up for truth!

One Family are we,
Shining forth Light,
God's *Love*, you will see.

Stand up for truth!

In Peace, you will find,
One who cares deeply,
With you, intertwined.

Stand up for truth!

Let separation be gone,
This made-up mindset,
It's faulty, all wrong.

Stand up for truth!

Our joining is real,
Completely embraced,
At Home, you will feel.

Stand up for truth!

Voice loud your acclaim,
Let it be known,
That *Love* is God's aim.

Stand up for truth!

Your substance is *Love*,
God's Meaning for you,
It's what you're made of!

Stand up for truth!
In closing, I say,
Come join with Me,
I'll show you *Love's* way.
