

**What is God's Great Purpose?**

What is God's Great Purpose,  
For each daughter and each son,  
To understand relationship,  
With each and everyone.

To understand and know within,  
You are not alone,  
We live as joined together,  
One Movement, as God's Own.

One Movement with God's Meaning,  
Expressed with joy made of,  
The substance of renewal,  
The energy of *love*.

*Living love's* God's meaning,  
Its function's to renew,  
Redeem, refresh and make things right,  
Shine healing light in you.

Redeemed, refreshed, and felt as new,  
We go forth every day,  
Asking God to lead us,  
In what we do and say.

We turn within to Wholeness,  
And join with Jesus there.  
Adrift no more, nor solo,  
His Purpose now we share.

His Purpose is in loving,  
Our sisters, brothers, all,  
We answer to His Purpose,  
We answer to His Call.

In closing I will tell you,  
In peace, what I have shown,  
I am with you always,  
You are not alone.
