

## Yielding to Your Maker

Yielding to your Maker,  
Means letting go of pride,  
Means letting go of self-will,  
Letting ego's voice subside.

Ego's voice will tell you,  
'You're 'self made' for life's trip,  
Disregard that God stuff,  
You're captain of your ship.'

Ego throws out falsehoods,  
Its bait, a snarling mess,  
To catch you all befuddled,  
It feeds on your distress.

It has no answers for you,  
For it is based in fear,  
Defends its annihilation,  
If 'disregard' is near.

Yielding to your Maker,  
Allows you to live true,  
Joined with Him as One, dear,  
His Will is meant for you.

Yielding is a joy there,  
Erases falsity,  
Breaks through the separation,  
To whom you're meant to be.

In yielding you'll find freedom,  
Let *Living Love* pour through,  
For this is God's own meaning,  
His meaning will renew.

Healing and redeeming,  
Join within to Me,  
*Living Love's* the reason,  
Yielding is the key.

In closing, I can tell you,  
I'm right here in your Mind,  
Open now and ask Me in,  
Such joy there you will find!

Yield to the flow of love, dear,  
Yield to whom you really are,  
Yield to God's meaning for you,  
His Light, His Love, His Star.
