

Your Mind is a Portal

Your Mind is a portal,
Where My words come through,
A place where transcendence,
Joins fully, with you.

I speak when invited,
If your will is there,
I give you My Presence—
Stand ready to share.

To share my intention,
To guide you, to teach,
Of our direct connection—
So easy to reach.

Your Mind unconnected,
To God's Holy Light,
Is filled with the ego,
Illusion's false sight.

This veil of illusion,
Is whispery thin,
Is easily dismissed,
When I am let in.

We'll work to undo it,
Right all that is wrong,
Defenses will fall there,
'Til they are all gone.

Gone is the veil there,
God's Light now shines through,
Its radiance awakens,
The Love that is you.

So, dear, I ask you,
Will you ask Me in?
Will you invite Me?
Let us begin!

I've always been with you,
And always will be,
Open up to Me,
Find Love's ecstasy.

Open Mind 's portal,
Where Love flows on through,
Renewing, redeeming,
I'm right here for you!
